girl you may play with it on  
special occasions.

It is much colder this morning  
snowed a little in the night.

About three o'clock we awakened  
to smell skunk I heard Pop move  
so knew he was awake, I said  
I smell skunk, smell it he says  
I am choking it is so thick.  
I've heard of anything so strong  
but this morning you could not  
even smell it. queer things  
happen in the night.

Mr. Gardella stopped this morning  
for gas as we had none he was  
out of luck. Rodney Whitmore  
was here last night on his way  
up to Uncle Alan's said they were  
going to start for Florida this  
afternoon, they will drive down.

Pop just came in and said  
to tell you he met a girl in  
a Ford car this morning in  
Mayfield - that looked just like  
you. The only way he could tell
